

TIMOTHÉ MOURGUE

PRODUCT DESIGN STUDENT

ABOUT ME

Hello ! My name's Timothé, i'm 22 and I'm a French design student at Creapole, a Design School in Paris for 4 years now. I'm passionate about cars and sneakers for since few years, which made me discover the world of Design. Now, the design has become a new passion in which I thrive. Today i'm looking for a 6 months intership in the area of the sport in general but more specifically in the footwear.
